## Introduction

Marton Manor Primary School is proudly recognised as an Inclusive Attendance school. Our unwavering commitment to attendance centres around child-centric actions, evidence-informed practices, and a shared understanding of everyone's roles and collective responsibilities to promote exceptional attendance.

## Inclusive Attendance Professional Development Model

The Inclusive Attendance professional development model fundamentally guides our attendance approach. Comprising six tailored Learning Modules, this model empowers us to deepen our understanding by facilitating continuous professional learning for all staff. Within this model, the four domains of practice ensure the provision of professional learning, professional development, evidence-based practices, and exemplary leadership and management to seamlessly integrate theory into practice.

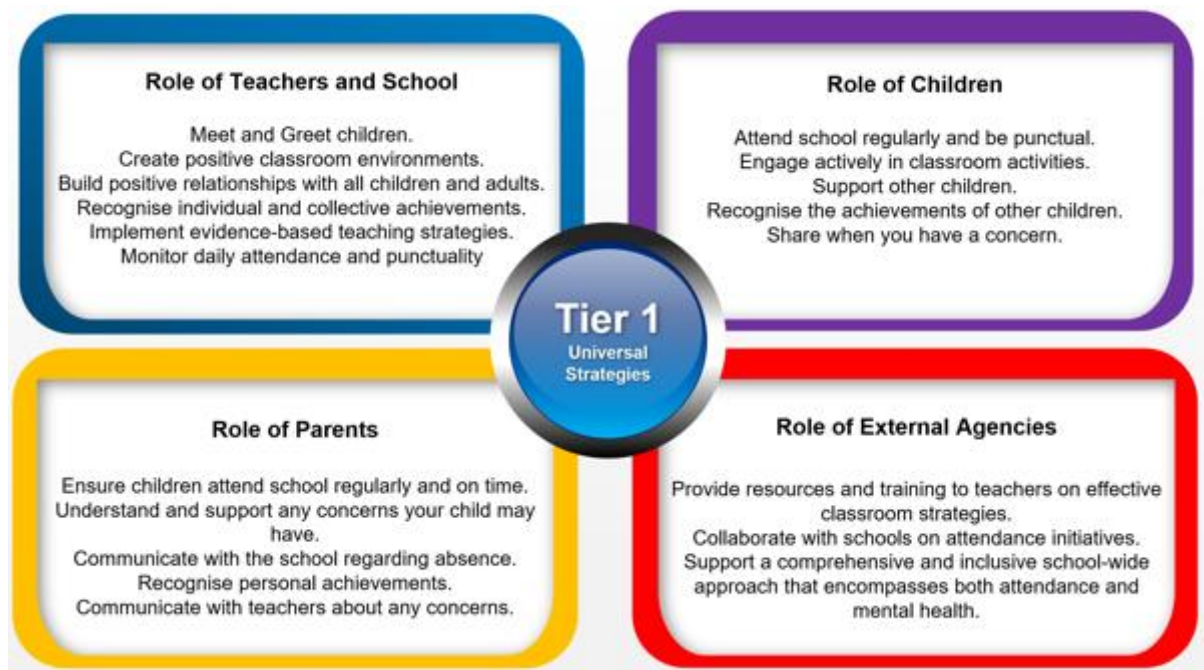

## Annual Inclusive Attendance 7-Month Development Programme

Each year, Marton Manor Primary School review and further enhances attendance practices through dedicated participation in the Inclusive Attendance 7-month development programme. This investment allows us to remain at the forefront of educational change and extends unparalleled support to our children and their families, equipping them with access to the finest possible assistance.

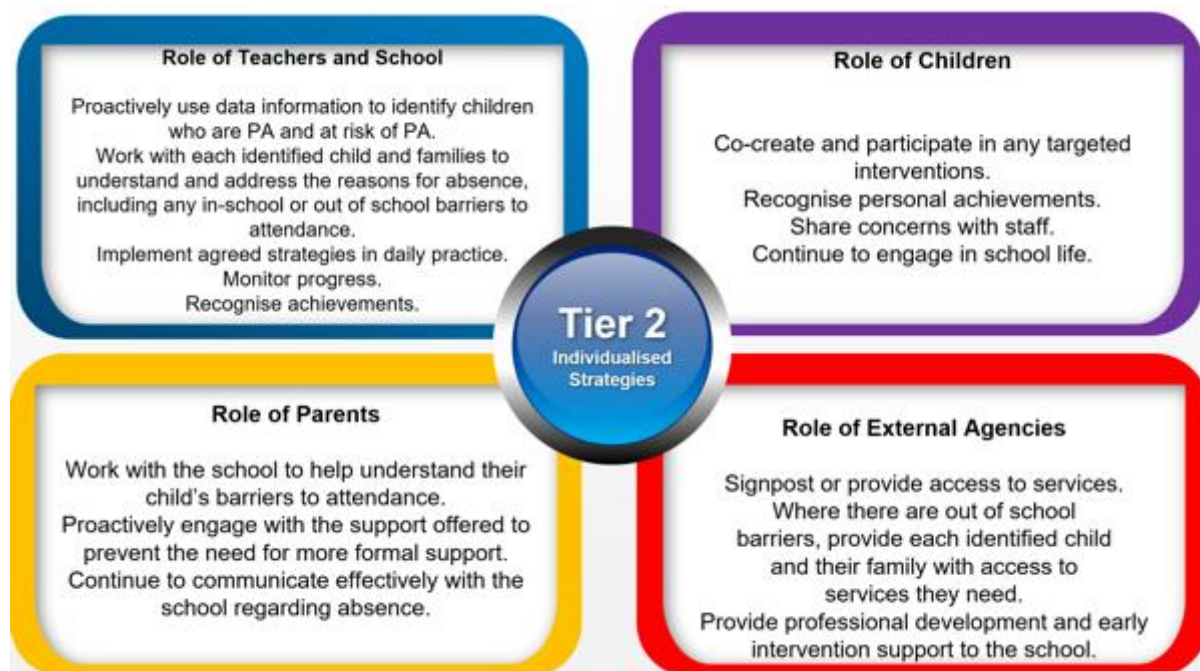

## A Multi-Tiered System of Support

To guarantee a comprehensive approach to attendance, Marton Manor Primary implement a Multi-Tiered System of Support. A Multi-Tiered System of Support (MTSS) for school attendance involves three tiers of intervention, with roles for teachers, the school, children, parents, and external agencies – including the Local Authority. Data-driven decision-making and training requirements are pivotal to the implementation of this system. The system aligns with the Department for Education's (DFE) "Working Together to Improve School Attendance" statutory paper 2024.

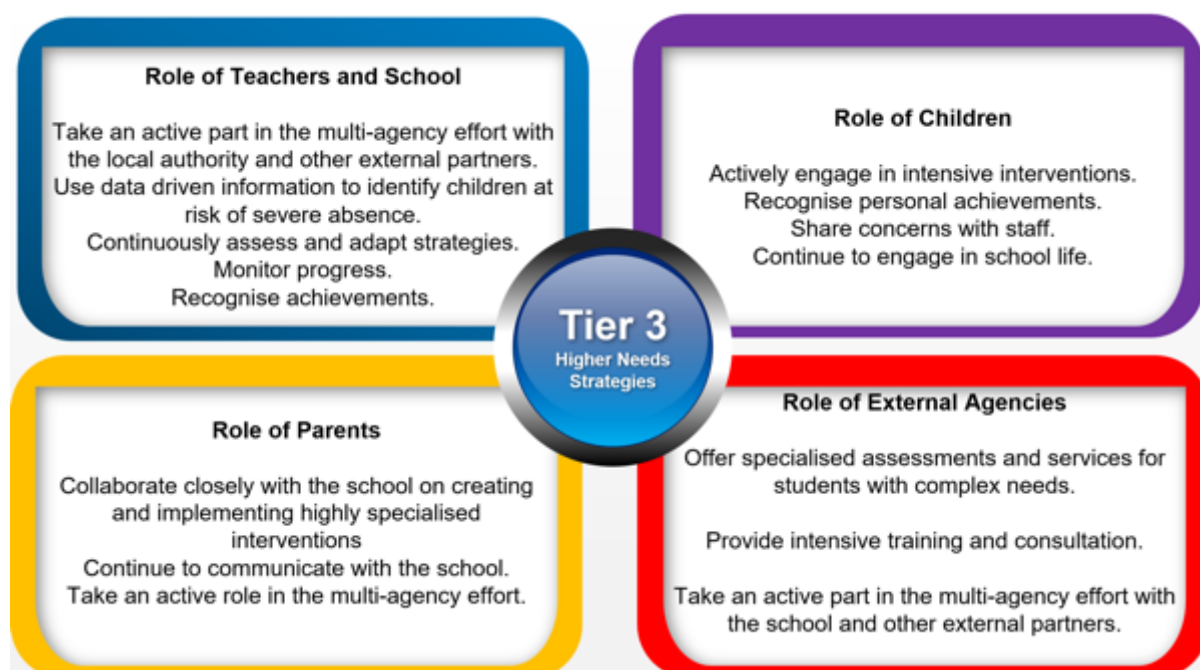

### **Tier 1 - Universal Approach: Establishing a baseline universal attendance approach that benefits all children.**

**Tier 2 – Internal individualised Strategies and Early Help Support: Tailoring strategies to individual needs and providing early help support for persistent attendance challenges.**

**Tier 3 - Higher Needs Strategies Support: Furnishing specialised support for children, young people, and families with complex attendance requirements, including access to external agency support when necessary.**

## **Marton Manor Primary Recognition-Based Approach**

Our attendance philosophy is rooted in a recognition-based approach that recognises both personal and collective achievements. This approach serves to thwart isolation, prevent victimisation, cultivate positive environments, nurture relationships, foster inclusivity, and ultimately cultivate intrinsic motivation among our children, families, and staff.

### **The Importance of School Attendance at Marton Manor Primary School**

School attendance is not merely a requirement but a fundamental pillar of education. It plays a pivotal role in shaping academic success, personal growth, and future prospects, making it an indispensable aspect of any educational system. Regular attendance to school can have a significant impact on:

- *Academic Achievement:* Regular attendance directly correlates with academic success. Children who attend school consistently are more likely to keep up with the curriculum, perform better in exams, and improve their life outcomes.
- *Knowledge Acquisition:* School is where children acquire knowledge and skills that are crucial for their personal and professional growth. Missing days means missing out on valuable learning opportunities.
- *Social Development:* School provides a vital social environment for children and adolescents to interact with peers, develop friendships, and learn essential social skills. Consistent attendance ensures children remain connected to their peer group.
- *Building Routine:* School attendance establishes a structured routine in children's lives, teaching them time management and responsibility, which are valuable life skills.
- *Teacher Interaction:* Regular attendance allows for meaningful teacher-child interactions. Teachers can provide personalised support, address questions, and assess individual progress more effectively when children attend regularly.
- *Preventing Knowledge Gaps:* Frequent absences can lead to significant knowledge gaps, making it challenging for children to catch up with missed lessons, potentially resulting in long-term academic struggles.
- *School Engagement:* Children who attend school regularly are more likely to engage in extracurricular activities, sports, and other enriching experiences that contribute to their overall development.
- *Legal and Parental Responsibility:* Parents or guardians are legally responsible for ensuring their child's regular school attendance. Failing to do so can lead to legal consequences.
- *Community Well-being:* High levels of school attendance contribute to the overall well-being of communities.

### **Factors Influencing Attendance**

There are many factors which can impact on a child attending school, if you have any concerns you should contact the school as soon as possible:

*Health Issues:* Children may experience physical or mental health issues that lead to absences. Chronic illnesses, infections, and mental health conditions can impact a student's ability to attend school regularly.

*Family Circumstances:* Family-related factors such as bereavement, family illness, or caring responsibilities can result in absences from school. In some cases, students may need to take time off to support their families.

***Bullying and Safety Concerns:*** Experiences of bullying, harassment, or safety concerns at school can deter students from attending. They may fear for their safety or well-being, leading to increased absenteeism.

***Socioeconomic Factors:*** Families facing financial difficulties may struggle to provide necessary resources for their children to attend school regularly. Issues such as lack of appropriate clothing, food, or a stable home environment can contribute to absenteeism.

***Special Educational Needs (SEN):*** Students with special educational needs may require additional support and accommodations to attend school regularly.

***Engagement and Motivation:*** Lack of engagement with school activities and a perceived lack of relevance in the curriculum can lead to disinterest in attending. Children who are not motivated may avoid attending school.

***Academic Challenges:*** Students facing academic difficulties or feeling overwhelmed by coursework may avoid school. They may fear falling behind or failing in their studies.

***Cultural and Language Barriers:*** Children from diverse backgrounds may face challenges related to language barriers or cultural differences. These challenges can affect their attendance and engagement with school.

***Peer Pressure and Social Factors:*** Influence from peers can impact attendance. Children may avoid attending school to align with the behaviour of their peers or to engage in social activities outside of school.

***Parental Involvement:*** Parental support and involvement in a child's education can positively influence attendance. Lack of parental engagement may lead to increased absenteeism.

### **Supporting Attendance at Marton Manor Primary School**

To address any identified attendance issues effectively, Marton Manor Primary will implement a range of strategies such as early intervention, support for vulnerable families, intervention programmes, and creating a positive and inclusive school environment. Understanding the specific factors affecting attendance for individual children and families is crucial for developing any targeted interventions and support systems to improve attendance outcomes.

### **Strategies for Using Data to Target Attendance Improvement Efforts at Marton Manor Primary School**

- The whole school cohort and Individual year groups.
- Individual pupils.
- Demographic groups, e.g., pupils from different ethnic groups or economic backgrounds.
- Other groups of pupils, e.g., pupils with SEND, LAC, and pupils eligible for FSM.
- Pupils who have an allocated social worker or are known to social care.
- A pupil who is absent for prolonged periods, or repeated occasions, which may indicate a safeguarding concern, such as CSE or CRE, particularly county lines.
- Pupils at risk of PA.
- Pupils at risk of SA.

#### **Strategy for Reducing Persistent and Severe Absence at Marton Manor Primary School**

To avoid children falling into PA, school will monitor all children who are at risk of PA at 94% and below (or more than 5 days absent from school). The attendance officer will offer advice and support and where appropriate a referral to Early Help. Letters will be sent to parents to make them aware that their child is at risk of PA and an informal meeting to discuss how school can help.

#### **Details of the National Framework for Penalty Notices at Marton Manor Primary**

To provide consistency, the Government have introduced a new national framework for schools and Local Authorities. All schools are now required to consider a fine when a child has missed 10 sessions (5 school days) for unauthorised reasons.

Fines are issued by the Local Authority and with effect from August 2024, the fine for school absences for each parent will be £80 per child if paid within 21 days, or £160 if paid within 28 days.

In the case of repeated fines, if a parent receives a second fine for the same child within any three-year period, this will be charged at the higher rate of £160.

Fines per parent will be capped at two fines within any three-year period. Once this limit has been reached, other action such as a parenting order or prosecution will be considered.

An attendance contract is a formal agreement between parents and the school or local authority to address irregular attendance, providing support as an alternative to prosecution. It is not legally binding but serves as a formal route to secure engagement with support when voluntary early help plans have not worked. An attendance contract aims to offer support rather than punishment.

If voluntary support or attendance contracts are unsuccessful, an Education Supervision Order (ESO) can provide formal legal intervention without prosecution. Before proceeding with an ESO, the school and local authority should exhaust voluntary support options and ensure the order would benefit the pupil and parent. Persistent non-compliance with an ESO can lead to prosecution in the Magistrates Court by the local authority. Upon conviction, parents may face fines of up to £1,000. Local authorities have the power to prosecute parents for various offences related to attendance: Failure to comply with a school attendance order may result in fines of up to £1,000. Failure to secure regular attendance at school or alternative provision may lead to fines of up to £2,500 and/or imprisonment. Persistent non-compliance with an Education Supervision Order may result in fines of up to £1,000.

### **Removal from roll**

This refers to the process of a child's name being officially taken off the school's register, typically due to extended non-attendance or other circumstances. Elective Home Education (EHE) is an option that some parents choose after removal from roll, where they take responsibility for providing education to their child at home.

### **Elective Home Education**

Home schooling is when a child is educated outside of the mainstream school system. Instead, a parent, guardian or private tutor teaches them. There are some things to know before you start. Rules for home schooling

- Legally, all children must receive a full-time education from the age of five.
- Any child can be home schooled as long as they receive a full-time education. You can home school either part time or full time.
- You do not need to be a qualified teacher to educate your child at home. There are no home school qualifications required, either.
- You do not have to follow the national curriculum. The council can make an "informal enquiry" to check what education your child is getting.

### **First steps to home schooling**

When making a decision about home schooling, do lots of research to help inform your thinking. Read tips on [how to approach it](#) and look for online groups where other families can offer advice.

You can learn more about home schooling requirements from the [government website](#). The Department for Education has [guidance for parents looking to start home education](#). [Education Otherwise](#) offers help and advice for home schooling families.

Once you've reached a decision that you want to home school, this is what you'll need to do:

- Tell your child's school that you plan to educate them at home. They may refuse if you are planning to home school part-time.
- If your child is in school because of a School Attendance Order, you will need to contact your local authority. They will need to give you permission before you can start home education.
- You will need to get permission from the local authority if your child attends a special educational needs (SEN) school.
- This is not necessary if your child is in a mainstream school, even if they have an education, health and care plan (EHCP).

### **Day-to-Day Processes for Managing Attendance**

All registers are completed via sims. Any child absent when the registers are taken will be followed up by the main office. If school have not been informed of a child's absence, the office will call all contacts on the child's record to find out why the child is absent. If no contact made, a home visit may be necessary. Codes are used in the registers via sims to identify the reason for absence.

### **First Day Calling and Safeguarding at Marton Manor Primary School**

Any unknown absences may be followed up with a home visit.

### **School Times of the Day at Marton Manor Primary School:**

The school day begins at 8.40am and ends at 3.10pm.

Registration opens at 8.40am and closes at 9.10am. Adults must accompany any child arriving at school after 8.50am to sign them in via our signing in system at the main office.

Children are expected to arrive on time and attend all scheduled lessons and activities.

### **Coding of Attendance**

Attendance will be recorded using the DFE's statutory attendance codes, please refer to the appendix for coding.

### **Requesting Absence Leave**

Parents or carers must request leave of absence for their child in writing at least 28 school days in advance. Please collect a form from Lynn or Becca in the main office.

Leave of absence during term time will only be authorised in exceptional circumstances.

### **Reporting a Child's Absence**

Parents or carers must contact the school on the first day of their child's absence to provide the reason for the absence. Please call the school office on 01642 285001 or email on [martonmanor@martonmanor.lingfieldtrust.org.uk](mailto:martonmanor@martonmanor.lingfieldtrust.org.uk)

### **Holiday Request**

Holidays during term time will not be authorised unless there are exceptional circumstances.

Holiday requests must be made in writing using the appropriate form, and a decision will be communicated to the parents or carers within 10 school days.

## **Definitions**

In the context of school attendance and education in the UK, the terms "Persistent Absence," "Risk of Persistent Absence," and "Severe Absence" are used to describe different levels of irregular attendance by students. These terms are important for tracking and addressing attendance issues.

### **Persistent Absence (PA):**

**Definition:** Persistent Absence is a term used to describe a level of student absence from school that is considered to be a significant cause for concern.

**Threshold:** In England, a student is considered to be persistently absent when they have an attendance rate of 90% or below. This means they have missed 10% or more of their school sessions.

### **Risk of Persistent Absence:**

**Definition:** The term "Risk of Persistent Absence" refers to a situation in which a student's attendance is at a level that suggests they are at risk of becoming persistently absent.

**Threshold:** While there is no specific threshold for "Risk of Persistent Absence," it is typically used to describe students whose attendance is consistently low and becoming a concern, as the school communicates to parents in days, we identify 10 days or more as Risk of PA and we will follow internal school procedures.

### **Severe Absence (or Severe Persistent Absence):**

**Definition:** The term "Severe Absence" or "Severe Persistent Absence" is used to describe the most serious cases of non-attendance.

**Threshold:** Particular focus and support will be provided to pupils who are absent from school more than they are present (those missing 50% or more of school). These severely absent pupils may find it more difficult to be in school or face bigger barriers to their regular attendance and as such are likely to need more intensive support across a range of external agency partners.

## **Absence Definitions**

- Arrival at school after the register has closed.
- Not attending school for any reason.

## **Authorised Absence**

- An absence for sickness for which the school has granted leave.
- Medical or dental appointments which unavoidably fall during school time, for which the school has granted leave.
- Religious or cultural observances for which the school has granted leave

- An absence due to a family emergency

### **Unauthorised Absence**

- Parents keeping children off school unnecessarily or without reason.
- Truancy before or during the school day.
- Absences which have never been properly explained or evidenced.
- Arrival at school after the register has closed.
- Absence due to shopping, looking after other children or birthdays.
- Absence due to day trips and holidays in term-time which have not been agreed.
- Leaving school for no reason during the day, including children being collected early.

### **Policies and Practice**

This attendance policy operates within the framework of statutory attendance regulations outlined in the Education (Pupil Registration) (England) Regulations 2006 and subsequent amendments. Marton Manor Primary School adhere to the following key attendance acts in the UK:

*Education Act 1996:* The Education Act 1996 is the primary piece of legislation that sets out the legal framework for school attendance in England and Wales. It outlines the responsibilities of parents, carers, and schools in ensuring regular school attendance. Sections 444-447 of the Act deal with offenses related to non-attendance and penalties for parents and carers.

*Education (Pupil Registration) Regulations 2006:* These regulations specify the procedures for registering pupils and maintaining attendance records in schools in England. They also define the circumstances in which a pupil can be marked as absent or present.

*Education (Pupil Registration) (England) (Amendment) Regulations 2013:* These regulations amended the 2006 regulations and introduced stricter rules on authorizing term-time holidays. Under these regulations, headteachers are only allowed to grant leave of absence in exceptional circumstances.

*School Attendance Code of Practice:* The School Attendance Code of Practice provides guidance to schools, local authorities, and parents on the law and procedures relating to school attendance and absence. It sets out the principles for promoting good attendance and dealing with poor attendance.

*Local Authority School Attendance Guidance:* Each local authority in the UK may provide its own guidance and policies on school attendance. Schools should be aware of and follow the specific guidance issued by their local authority.

*Department for Education (DFE) Guidance:* The DFE periodically issues guidance documents and updates related to school attendance. Schools should stay informed about the latest DFE guidance 2024 and follow any recommendations or requirements outlined in these documents.

*Child Employment Legislation:* Legislation such as the Children and Young Persons Act 1933 and the Children (Performances) Regulations 1968 govern the employment and attendance of children involved in performances, modelling, and other activities outside of regular school hours.

*Children Missing Education (CME) Statutory Guidance:* This guidance outlines the responsibilities of local authorities in identifying and tracking children who may be missing education, including those who are not on a school roll or are not receiving suitable education.
