Here are also some useful hints and tips for helping at home.

- Continue to share a book with your child to develop their love of reading.
- Practise forming some recognisable letters of their name.
- Practise hearing the initial sounds and oral segmenting and blending e.g. c-a-t = cat.
- Can your child recite 3 different nursery rhymes?
- Can your child be a human balancing scale? Pass them an object to hold in each hand. Which is heavier? Which is lighter? How can they show this with their arms? What happens if they weigh the same?
